

KIDS HELPING KIDS

During the week of March 1 1th, BES Student Council Members will be collecting new or gently-used children's books. These books will be taken to the Bridges of Books Foundation to be distributed to children in New Jersey.

The Bridges of Books Foundation is a non-profit, volunteer-led organization. Their mission is to provide an ongoing source of books to underserved children throughout New Jersey in order to support the development of literacy skills and to encourage a love of reading.

If you would like to contribute to our book drive, please have your children bring in the books to their homeroom teacher March 1 1th through March 15th. Our Student Council members will be collecting, separating, organizing, and packing the books.

Thank you for being part of our community-service project.
