

# Fall Edition

Dear BES Families,

I hope this greeting finds everyone well as you are coming off an enjoyable Thanksgiving holiday break with family and friends! December is upon us as we eagerly await the coming holiday season. While it is important to enjoy the time of the season, please be reminded that it is also important that we encourage our children to maintain a strong work ethic during this time of excitement as we have much to accomplish over the next few weeks. To help you with this, please refer to our December edition of "Home and School Connection" attached to this newsletter. There is a great article to share on connecting reading and writing as well as some other great ideas about volunteering and other areas related to school and home!

In addition, please pay close attention to our "Calendar of Events" on our website as we have our Winter Concerts approaching and you won't want to miss them. We have many activities taking place in school and in the community sponsored by our PTG during the month of December and I would encourage you to support us whenever possible. Many of the best gifts we can give our children are the gift of time, love, support, and education! As we approach this holiday season, and throughout the year, let us all remember to continue to work together for all of our children! Remember....."Develop a passion for learning! If you do, you will never cease to grow!"~ Anthony D'Angelo

Sincerely,  
Bruce P. Leal, Principal
