

PRINCIPAL SEARCH UPATE

For those community members who may not be aware, the Board of Education accepted, reluctantly and with deep regret, the resignation for retirement purposes of our fine Principal, Mr. Bruce Leal. It is with mixed emotions that we honor his 38 years in education and 6 years here at Blairstown Elementary School for we are sad to see him go, but happy he will be able to spend more time with family and friends.

A full and complete search is being conducted, resume's screened and interviews held with selected candidates from within and outside our school community, to select our next building leader. I am most confident that our next Principal will be someone who shares and understands Blairstown's unique requirements and supports our strategic goals in this time of budgetary and enrollment focus.

Once our next Principal is selected and approved by the Board of Education, we will provide time for the community to get to know our next school leader before he/she takes over on July 1st. I will communicate dates and times for those meetings, so please continue to monitor our website and Face book page.

Mark Saalfield

Superintendent of Schools
