

June 2022

Dear Parents and Guardians of incoming 2022-2023 Fifth Graders,

Congratulations on the completion of another year at Blairstown Elementary School! We are looking forward to meeting your children and are excited to get to know them as readers and writers.

To ensure students hold onto and practice the reading strategies they mastered during their fourth grade year, we are asking them to complete the following reading assignment.

Over the course of the summer, each student is to read **one** of the books listed below. When we return to school in September, they will participate in book clubs, which will help build a strong community of readers and help us get to know our new 5th graders. These book club conversations will focus on the standards below:

- Determines main idea, key details, and a variety of story elements in order to summarize a text.
- Engages effectively in a range of collaborative and academic discussions (one-on-one, in groups, and teacher-led).

Please visit your local library or bookstore to find the title your student has selected from the list. We look forward to meeting your child in September and hope that you have a wonderful summer filled with a lot of reading.

**Here are the selections your child must choose from:**

- Cat Kid Comic Club (Graphic Novel) by David Pilkey
- The Lemonade War by Jacqueline Davies
- Treasure Hunters Book 1 by James Patterson and Chris Grabenstein

Happy Reading,  
*The Fifth Grade Team*
