

This announcement is for all our BES families.

The US Dept. of Agriculture approved BES for a program that permits schools to serve meals to **all students at no charge** through December 31 on days that school is in session.

If your child is virtual and you want to have lunch for your child, please contact Mrs. Kampfe in the main office by Friday, Oct. 2 for further information and arrangements for pick-up.

If your child is hybrid and you want to have lunch for your child, lunch orders are taken by the homeroom teachers each morning upon the student's arrival in homeroom. Grab and Go style lunches will be delivered to the homerooms prior to dismissal to be eaten at home.

Gold Cohort students can have lunches for Friday, Monday, Tuesday, Wednesday, and Thursday, delivered to their classrooms on a Friday. Have your child(ren) notify their teacher if they would be taking lunch home for the week, or if you want lunch only for the days they are in school; Thursdays and Fridays.

Blue Cohort students can have lunches for Wednesday, Thursday, Friday, Monday, and Tuesday, delivered to their classrooms on a Tuesday. Have your child(ren) notify their teacher if they would be taking lunch home for the week, or if you want lunch only for the days they are in school; Mondays and Tuesdays.

If you are interested in having your child participate in this program, or have any questions, please contact Mrs. Kampfe in the school office at 908-362-6111 ext 102.
