Hello everyone,

Our re-entry plan is complete and ready for you to review, so you can make decisions and plan specifically for your child's return to instruction in September.

It is a highly detailed plan and will require your careful consideration. We will need your response to our survey by Tuesday, August 4th so we can adjust our plan accordingly.

You will find that you must choose one of three options:

- Option 1: Hybrid in-person and remote instruction
- Option 2: Full Virtual instruction
- Option 3: Home Schooling

If you choose option 1, we ask you to indicate if your child will be using the bus to and from the school.

Be certain to review the specific descriptions for each option. Once all the survey results are returned by August 4th, we will make any needed adjustments and then hold a town hall style virtual meeting to answer your questions shortly thereafter.

Our staff is looking forward to seeing our students again, be it in-person or virtually and we look forward to your responses with great interest.

Sincerely,

Mark Saalfield, Superintendent
